

BRIDGFORD, GLEASON & ARTINIAN

TRIAL ATTORNEYS

Experience to Go the Distance. Proven Results.

\$10M+

AWARD

Represented more than 3,000 victims for property damage due to leaking pipes.

\$5M+

AWARD

Represented victims of wrongful death in the 2003 Metrolink train crash.

\$55M

AWARD

Floodplain claim.

Millions

RECOVERED

from insurance carriers and brokers for underinsuring and failure to insure.

Millions

RECOVERED

on real estate fraud claims and multiple punitive damage recoveries.

Mass Tort Litigation

When public utility companies and other businesses fail to meet safety standards required by law, they put thousands of people at risk of being injured, as well as face losing their homes and property.

Representative Matters:

- Lead California case counsel for multiple wrongful death claims against MGM in the Las Vegas shooting.
- Lead plaintiffs' counsel representing over 3,000 homeowners on leaking hazardous pipes and recovered over \$10M to date.
- Class action lawsuit against major retailer for failing to compensate employees who are required to report for on-call shifts but ultimately aren't put to work.
- Lead wrongful death counsel on plaintiffs' steering committee in 2003 Metrolink train crash.
